

BEAUTIFUL. SIMPLE. LEATHER

what we do

Welcome to Zisu Leather, a boutique leather line dedicated to offering beautiful, simple leathers tailored for interior designers, decorators, and furniture manufacturers. Our carefully curated collection features timeless finishes and colours, with a strong emphasis on quality, service, and sustainability.

who we are

Zisu Leather emerged in 2019 from the collaboration of three friends who together boast over 50 years of experience in the leather and design industry. The aim was simple: to establish a straightforward leather brand centred on what truly matters—exceptional, reliable quality leather that exudes style, all at competitive prices.

Our team comprises individuals with distinct skills:

- An interior design visionary, shaping our aesthetic direction.
- An industry sales expert, adept at navigating market trends and customer preferences.
- A seasoned leather specialist, well-versed in working with top-tier leather producers across the industry, ensures impeccable quality in every single product.

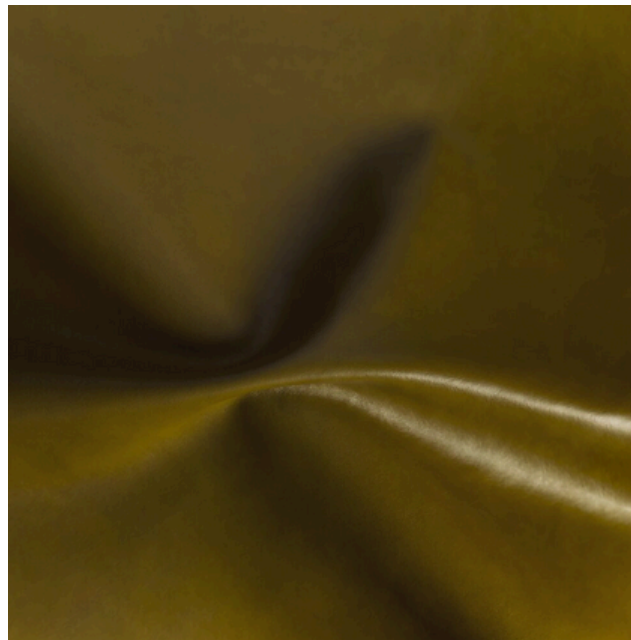

Together, we've realised our vision for Zisu Leather: a brand that delivers exceptional leather without compromise.
