UPHOLSTERY / TEXTURE FABRICS

A collection of rich, tactile fabrics designed to bring depth and character to interiors. Developed for the residential market, their high durability (>50,000 Martindale cycles) and compliance with CAL 117 standards make them equally suitable for hospitality applications, combining sophisticated textures with outstanding performance.

UPHOLSTERY / DRAPERY PLAINS

Defined by rich color palettes — with 20 colorways available for each article — these versatile plain fabrics combine understated elegance with exceptional comfort. Both collections have been developed using the “flannel” finishing technique, giving the fabrics an especially soft and pleasant hand while maintaining outstanding durability. Ideal for upholstery applications (>50,000 Martindale cycles), they are equally perfect for elegant drapery solutions.
